I gotcha ya, i'll right here unless
Come stop your crying,
It'll be all right
Just take my hand
Hold it tight now
I will protect you
From all around you
I will be here don't you cry

For one so small
You seem so strong now
My arms will hold you
Keep you safe and warmness
Bond between us
Can't be broken
Said wanna be here
Don't you cry

'Cause you'll be in my heart
You'll be in my heart yeahhh
From this day on
Now and forever more, for more

Why can't they understand
The way we feel
They just don't trust
What they can't explain
I don't see the different
But deep inside us
We're not that different at all

You'll be in my heart
Said you'll be in my heart
From this day on
Now and forever more...
You'll be in my heart
No matter what they say
You'll be right here in my heart always
Always! always, always(3)

Don't listen to them
'Cause what do they know (what do they know)

We need each other
Have, to hold
They'll see in time
I know, will show them together

When destiny calls you
You must be strong (you gotta be strong)
I may not be with you
But you got to hold on
They'll see in time
I know
We'll show them together!

'Cause you'll be in my heart (Believe me)
You'll be in my heart (I'll be there)
From this day on
Now and forever more
You'll be in my heart (you'll be here in my heart)
No matter what they say (I'll be with you)
You'll be here in my heart (I'll be there)
Always

Always!
I'll be with you!
I'll be there for you always
Always and always
Just look over your shoulder
Just look over your shoulder
Just look over your shoulder
I'll be there always
