Now I lay me down to sleep
I pray tha Lord muh gunz to keep
If I die before I wake
I ask you Gawd muh soul to take
yo... check it do you no what I go through every day,
every thought I have? Well your about to c az I tell
you all the struggles uv muh life

Verse 1:

As I live muh life
I just do shit
I don't thank twice
cuz I no everything I do haz a price
I got only one life to live
one no breath to take
as I watch muh life shatter crumble and brake
as I lead muh life from crime to hate
stoped buh tha copz on every road I take
court cases keep me occupied till Im sent up state
violation muh probation cuz uv a call made late
in muh life uv sin I just have to wonder
will Gawd take me? or break me?
leave me in the dust
what ever he decieds I dont give a fuck
I no whats cumin I took the wrong path
headin to muh real dad to c him at last
sittin in muh chair close'n muh eyes
havin krazy dreamz c'n muh demise
countin down tha dayz till I finally die
will they laugh at the fact or brake and cry
I need to no thease answer'z
im runnin out uv tyme
with the final breath I take
I ask u Gawd 2 c muh mom'z face
cuz it might b tha last glanze I take
untill I c her in you're heavenly place
cuz ma don worry I'll be right there buh tha gate
I'll have muh watch set, trust me I wont b late
