â€œResting Placeâ€ by Deitrick Haddon

Heavenly Father, here I am.  
It is me once again.  
Lord, it donâ€™t feel good in the cold.  
Outside looking in.  
I need shelter from the rain,  
â€˜Cause itâ€™s bringing too much pain.  
Wonâ€™t you please take my hand.  
Lord, I know you will understand  
If you show me the way, I will be okay.  
Yes, I will.  
Lord, youâ€™re my resting place.

Chorus

Lord, you are my resting place.  
My rock.  
My sword.  
All fears erased.  
I find in you security.  
I seek your face, my resting place.

Lord, I been searchinâ€™ high and low for some rest  
for my weary soul.  
Traveled far across this land.  
Even gone through desert sands.  
Trying to find some relief, searchinâ€™ for inner  
peace.  
Oh, gotta find it.  
If you show me the way, I will be okay.  
Yes, I will.  
Lord, youâ€™re my resting place.

Chorus

Bridge

Oh, Lord, Iâ€™ll be right here waiting for your love.  
Show me the way.  
Youâ€™re my resting place.

Chorus
