#### Verse 1

What do you do  
When you just don't understand  
And what do you do  
When you just cannot explain  
And what do you do say  
When you just don't have the answers  
Through it all, keep on trusting God  
What do you do  
When words can't ease the pain  
And what do you do when you wake up  
And things are just the same  
Seems like it just won't get any better  
Through it all, keep on trusting God

#### Chorus:

Yet will, yet will,  
Yet will I trust Him  
Yet will, yet will,  
Yet will I trust

#### Verse 2

What do you do  
When life questions your faith  
And all the dreams you had  
Seems like they're drifting away  
It takes all of your strength  
Just to make it through the day  
But through it all, keep on trusting God  
What do you do  
When you cried all you can cry  
When you have to wear a smile  
When you hurt deep inside  
And what do you do  
When there's no one you can call  
Through it all, keep on trusting God

#### Chorus:

Yet will, yet will,  
Yet will I trust Him  
Yet will, yet will,

Yet will I trustâ€¦!  
Oh..keep on trusting God

Ohâ€œ“ohâ€œ“ohâ€œ“oh-oh-oh  
Through it all I will trust You  
Through it all I, I will trust  
Iâ€™ ll trust Him  
No matter what I go through  
Iâ€™ m gonna keep holding on , holding on  
Holding on, yeah  
Through it all,(through it all)  
I will keep, keep on trusting God  
Though itâ€™ s hard, (though itâ€™ s hard)  
Though itâ€™ s hard, keep on trusting God  
Through it all keep on trusting God  
Trusting Him  
I know itâ€™ s hard (and I may have to cry sometimes)  
Keep on trusting God  
Gotta keep on Trusting God
