Here's to you, another bottle of wine
Make me forget I'm alive
I'm numbing my senses blind
So I can lie and say it does not move me
No, so don't touch me, don't speak to me
No, don't look at me, don't look at me so
I can't stand, standing in line and saying it does not
move me

I've been down every road I thought I'd ever want to go
I found you before I found love, and all the things I
never wanna know
I've been down every road I thought I'd ever want to go
Until I found you, here's to you
There's only so much wine can do
Until I found you, here's to you, here's to you, here's to
you

So don't touch me, don't speak to me, no
Don't look at me, don't look at me so
I can't stand standing in line and saying it does not
move me, no
Don't see me, or look me in the eyes
You were right, boy, right every time
I can't stand standing in line and saying it does not
move me, no

Here's to you, another bottle of wine
Make me forget I'm alive
I'm drowning you out now, my aching heart is just fine
I cowered in silence, you stared, it was lust you
struggled to say
I'm sorry, but I can't stand, I can't be loved this way

I've been down every road I thought I'd ever want to go
I found you before I found love, and all the things I
never wanna know
I've been down every road I thought I'd ever want to go
Until I found you, here's to you
There's only so much wine can do
See, 'cause I found you, here's to you, here's to you,
here's to you

So don't touch me, don't speak to me, no
Don't look at me, don't look at me so
I can't stand standing in line and saying it does not
move me, no
Don't see me, or look me in the eyes
You were right, boy, right every time
I can't stand standing in line and saying it does not
move me, no

Here's to you, boy, and another bottle of wine, boy
I'm drinking myself blind, boy, I'm drinking myself
blind
Here's to you, boy, and another bottle of wine, boy
I'm drinking myself blind, boy, I'm drinking myself
blind
Blind...

So don't touch me, don't speak to me, no
Don't look at me, don't look at me so
I can't stand standing in line and saying it does not
move me, no
Don't see me, or look me in the eyes
You were right, boy, right every time
I can't stand standing in line and saying it does not
move me, no
