Pessimist you call me I'll be round  
to bring you down  
My friendship's underrated I've been crowned  
Queen for letting you  
down Give me your heart I'll give it back  
All battered and torn  
Every silver lining has its cloud  
Can i be yours now? And i'll

Sit on your face and say i love you And leave you the  
next day For someone who owes you  
you  
Put you trust in me To discover no less than a twist in  
my sobriety  
And when You need me the most I'll be pissed off my  
face or stoned And i'll be loving it YeahYeahYeah  
You can count on me yeaheah

Here i am you prized And weighted catch  
I've been found faulty  
Just give me a chance I'll stab you in the back  
Please put your trust in  
me I am the itch you can't scratch  
Here try this dagger  
Put your trust in me  
Put your trust in me  
Put your trust in me  
Put your trust in me

Sit on your face and say i love you And leave you the  
next day For someone who owes you  
you  
Put you trust in me To discover no less than a twist in  
my sobriety  
And when You need me the most I'll be pissed off my  
face or stoned And i'll be loving it YeahYeahYeah  
You can count on me yeaheah  
Ooohhh Ooohhh Ooohhh Ooohhh I am the itch that you  
can't scratch yeah yeah  
Ooohhh Ooohhh Ooohhh Ooohhh I am the itch that you  
can't scratch yeah yeah

next day For someone who owes youCos you  
Put you trust in me To discover no less than a twist in  
my sobriety  
And when You need me the most I'll be pissed off my  
face or stoned And i'll be loving it  
You can count on me yeaheah
