I got the greed  
The hunger in me  
I got the creed  
From the devil in me  
I'm in the belly of the beast  
And you let me eat my heart out  
I want to feel  
All you got in you  
I want to be  
Whatever you do  
I want to love the way you love  
I want it all now...

Nothing but good hearts gone bad  
So afraid to bleed and holding back  
I'm taking it all  
I'm taking it all yeah...

A crutch a break  
That I can take  
My blood runs cold  
Through your ball and chain  
Go on pucker up love  
Take what you deserve  
I'll hold you down  
Have you shackled and bound  
Till you give out  
I'll have you gagged and crowned  
The light of my desire and my affliction

Nothing but good hearts gone bad  
So afraid to bleed and holding back  
I'm taking it all  
I'm taking it all  
I'm taking it all  
I'm taking it all  
From start to end and everything between

I'm going to take all you have in you  
I want to be whatever you do  
And all you have in mind yeah
