Gypsy eyes
Barefeet dancing on moonlight
Sister Blue
I know there's a Heaven made for you

Climb the ladder, you're my courage
Jump the river, you're my hope
Climb the ladder, you're my courage
Jump the river, you're my hope

You're a dreamer
Your dreams are coming true
I don't know who or where I'd be
If I never met Sister Blue
If I never met you

Climb the ladder, you're my courage
Jump the river, you're my hope
Climb the ladder, you're my courage
Jump the river, you're my hope

Gypsy eyes
Heart strung with sterling silver
Sister Blue
Ruby red blood running through you
Sister Blue
I know there's a Heaven made for you
