One, two, three
Kick my knees
Four, five, six
Maybe I'm selfish
Seven, eight
It's getting late
Nine, ten, eleven
I think my head's in heaven

I am here
I'm here
I am here
I am here

I am scared
I'm scared
I am scared
I am scared

You will see
I'm spinning
I am spinning

And I swear
I'm not kidding
I'm not kidding

The train goes by
But I don't even see it fly
The sky turns to dawn
I can't even see the sun
You blow a kiss to me
But I can't feel anything
You hold my hand
I can't hear anyone

Anyone
Anyone
I am one
Anyone
I am someone
Anyone

Anyone
I am one someone
Anyone I am one someone

I am here
I'm here
I am here
I am here

I am true
I'm true
I am true
I am true

You will see
I'm spinning
I am spinning

And I swear
I'm not kidding
I'm not kidding

Maybe I'm holding on too tight
But if you wanna let go of you tonight
But you know I could find the same
So good night

One, two, three
Kick my knees
Four, five, six
Maybe I'm selfless
Seven, eight
It's getting late
Nine, ten, eleven
I think my head's in heaven
Nine, ten, eleven
I think your head's in heaven
Nine, ten, eleven
I think my/your head's in heaven
Nine, ten, eleven
I think my/your head's in heaven
Nine, ten, eleven
I think my head's in heaven
Nine, ten, eleven
I think your head's in heaven
Nine, ten, eleven
I think my head's in heaven
Nine, ten, eleven
I think your head's in heaven
Nine, ten, eleven

Nine ten eleven
I think your head's in heaven
