All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
Runnin' through my head

All the things she said
All the things she said
Runnin' through my head
Runnin' through my head

All the things she said
All the things she said
This is not enough
Enough, enough, enough

I'm in serious shit, I feel totally lost
If I'm asking for help it's only because
Being with you has opened my eyes
Could I eva believe such a perfect surprise?

I keep asking myself, wondering how
I keep closing my eyes but I can't block you out
Wanna fly to a place where it's just you and me
Nobody else so we can be free

I keep asking myself, wondering how
I keep closing my eyes but I can't block you out
Wanna fly to a place where it's just you and me
Nobody else so we can be free

All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
Runnin' through my head

All the things she said
All the things she said
Runnin' through my head
Runnin' through my head

All the things she said
This is not enough
This is not enough

All the things she said
All the things she said
All the things she said
All the things she said

All the things she said
All the things she said
All the things she said

And I'm all mixed up, feeling cornered and rushed
They say it's my fault but I want her so much
Wanna fly her away where the sun and rain
Come in over my face, wash away all the shame

When they stop and stare, don't worry me
'Cause I'm feelin' for her what she's feeling for me
I can try to pretend, I can try to forget
But it's driving me mad, going out of my head

All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
Runnin' through my head

All the things she said
All the things she said
Runnin' through my head
Runnin' through my head

All the things she said
This is not enough
This is not enough

All the things she said
All the things she said
All the things she said
All the things she said

All the things she said
All the things she said
All the things she said
All the things she said

All the things she said
All the things she said
All the things she said

Mother looking at me
Tell me what do you see?
Yes, I've lost my mind

Daddy lookin' at me
Will I ever be free?
Have I crossed the line?

All the things she said
All the things she said
Runnin' through my head
All the things she said
All the things she said

All the things she said
All the things she said
Runnin' through my head
All the things she said

All the things she said
This is not enough
This is not enough

All the things she said
All the things she said
All the things she said
