It was just you an I,  
All those wonderful times,  
I can't deny,  
You got me wrapped around your finger,  
All those beautiful lies,  
With your beautiful eyes,  
Through your beautiful smile,  
Got my heart broken in pieces like,

Oh, oh  
Got my heart broken in pieces like,  
Oh, oh, ohhhh, ohhh  
Got my heart broken in pieces like

[T.I.]  
Well if ya love ya girl  
And wanna keep ya girl  
Don't be walkin up and askin me to meet ya girl  
Cuz I'm well enough a flirt when I speak to girls  
She winked her eye on the side  
I sent ya girl  
Better treat your girl right  
Cuz another man will  
Better eat ya girl like another man will  
Cuz u leave your wife  
And I see ya wife  
That be for real  
How long you think that's finna be ya wife  
Well I'm livin the life  
You just gettin it right  
Your old lady look at me  
Cuz you ain't hittin it right  
She probably used to like you  
Cuz you the better type  
That's until I came along  
And put some dick in her life  
Wanna see how that ass look with dick in her life  
I noticed she was checkin me  
And diggin the ice  
And if I get that tonight  
Better hit that twice

I can even make her mine  
If I hit that right  
You know smack that thang  
Sit that right  
Upon that dresser  
Yeah that's right  
Pullin on her hair  
Like we gettin in a fight  
Yeah I know it's kinda tight  
But it'll swell just right  
So if yo girl sexy  
And she test me  
Don't be upset g  
Cuz u might catch me  
Tryin to catch a glance up her skirt  
We playing in my glan in reverse

Then if I see her and I like her then I'm a flirt

It was just you an I,  
All those wonderful times,  
I can't deny,  
You got me wrapped around your finger,  
All those beautiful lies,  
With your beautiful eyes,  
Through your beautiful smile,  
Got my heart broken in pieces like,

Oh, oh  
Got my heart broken in pieces like,  
Oh, oh, ohhhh, ohhh  
Got my heart broken in pieces like

[Drake]  
Let me show you what it is,  
I was birthed up top,  
I was raised at the bottom of the map,  
Where the girls are thick,  
And the hottest nigga rap,  
And if you lookin for the good and we got 'em,  
In the trap like (ooh wee),  
Took em from white sneaks to (loouieeee),  
This metaphor might sound a lil confusing but (ya'll  
already know if you know me),  
I done come a long way from a days inn,  
And all hotel that I stayed in,  
I took my lifestyle from mediocre to good,  
And now we see it's sitting at amazing,  
Girls trying to ho lobby us,  
Hear 'em all screaming and it's proolly us,  
But I can't blame females,

Females can't really ignore something this obvious,  
What you really expect when I strut through town,  
Two or three days and I'll shut you down,  
Chillin with the homie trey songz,  
You call him the prince,  
He rep two up, two down,  
Anyone I know get used to me,  
I'm far the man that I used to be,  
And I don't ever really kick game,  
And I know you find it impressing when you're  
introduced to me,  
It was just you an I,  
All those wonderful times,  
I can't deny,  
You got me wrapped around your finger,  
All those beautiful lies,  
With your beautiful eyes,  
Through your beautiful smile,  
Got my heart broken in pieces like,

Oh, oh  
Got my heart broken in pieces like,  
Oh, oh, ohhhh, ohhh  
Got my heart broken in pieces like
