Different nights, different people,
Wants-doesn't want, loves-doesn't love,
Someone will fall behind, someone will jump off,
Someone will get tired wanting to much....

Someone will turn wire tight to the terminals
Someone will launch new themes
Someone is a braggart, someone is a maniac,
Someone is like you, someone is like me....

Don't light, don't extinguish,
Don't trust, don't be afraid, don't beg,
And calm down!...
And calm down!...
Don't trust, don't be afraid, don't beg,
Don't trust, don't be afraid, don't beg,
Don't trust, don't be afraid!
Don't trust, don't be afraid!
Don't trust, don't be afraid!

Somewhere is much of what is a few,
But there will be a round-up on the road,
Someone will take chances, someone will fail,
Someone will understand, but won't help....

Someone will leave, someone will come back,
Someone will find new Sun,
Someone into the bushes, someone into me,
Someone like you, someone like me....

Don't light, don't extinguish,
Don't trust, don't be afraid, don't beg,
And calm down!...
And calm down!...
Don't trust, don't be afraid, don't beg,
Don't trust, don't be afraid, don't beg,
Don't trust, don't be afraid!
Don't trust, don't be afraid!
Don't trust, don't be afraid!

Don't light, don't extinguish,

Don't trust, don't be afraid, don't beg,
And calm down!...
And calm down!...
Don't trust, don't be afraid, don't beg,
Don't trust, don't be afraid, don't beg,
Don't trust, don't be afraid!
Don't trust, don't be afraid!
Don't
