Visit "[Friend Or Foe](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Is it too late?  
Nothing to salvage  
You look away  
Clear of the damage  
The meaning to  
Our words of love  
Has disappeared

We used to love one another  
Give to each other  
Lie undercover so  
Are you friend or foe?

Love one another  
Live for each other  
So, are you friend or foe?  
'Cause I used to know

The promises  
Hollow concessions  
An innocent  
Show of affection  
I touch your hand  
A hologram  
Are you still there?

We used to love one another  
Give to each other  
Lie undercover so  
Are you friend or foe?

Love one another  
Live for each other  
So, are you friend or foe?  
'Cause I used to know

We used to  
We used to  
We used to  
We used to, used to

Is it too late?

Nothing to salvage  
You look away  
Clear of the damage  
The meaning to  
Our words of love  
Has disappeared

We used to love one another  
Give to each other  
Lie undercover so  
Are you friend or foe?

Love one another  
Live for each other  
So are you friend or foe?  
'Cause I used to know
