What can I say?
What can I do?
If only
If only
You would just look my way
Just once
That is what I long for

Please just double take me
Just once
Or Ill hang my head in shame
You could make me feel special
You could make me feel real

But no
You just
Ignore me
Ignorantly
You do anything to
Ignore me
Ignorantly
Wherever you are
Whatever you're doing
You just
Ignore me
Repeatedly

To busy ignoring me

I saw you
Yesterday
With your friends
Walking down
The street
I waved at you
But you didnt even look
You kept your eyes
On sidewalk
You studied you shoe laces
You smiled when out of my path
You simply

But no
You just
Ignore me
Ignorantly
You do anything to
Ignore me
Ignorantly
Wherever you are
Whatever you're doing
You just
Ignore me
Repeatedly

To busy ignoring me

What can I say?
What can I do?

Ignore me
Ignore me
Just once
Listen when I call your name
Please don't
Ignore me

Too busy ignoring me

I'll go crazy
If you don't
Stop doing this
Yes you know
It is when you
Ignore my soul
My body
My spirit
You just turn your face on me
And slam the door
Your open arms shut again
Because

You grin
You choose to ignore me
You grin
And you choose to ignore me
Im not perfect
But I have feelings
Like everybody else does
I have feelings

But you ignore me

Ignore me
Ignore me
Ignore me
Ignore me

To busy ignoring me
