[Intro T.I.]

What's happenin' this the king of tha South T.I. I'm here
wit' the 15 year old phenom Young Blaze and tha king
of the west coast The Game this the remix check it

[Verse One: T.I.]

Now, e'rybody wanna be the king of the South
When, they ain't runnin a damn thing but they mouth
No doubt, it's all good, y'all just statin y'all opinion
But in the South and in the hood it's understood without
sayin

It's a given, and ain't because of what I'm doin for a
livin

It's, mo' because of what I do and how I'm livin
Not to mention when I'm rappin I'm just hurtin niggaz
feelings

(Niggaz feelings) And still chillin on simpson and
center hillin

Made provisions for the clique to continue keepin it
pimpin

Whether crack was in the house or record sales was
through the ceiling

So say what you want, and do what you please
But for fun, I shoot 22's from your shoes to your knees
I run a record label and a crew of G's

So, niggaz'll come and look for you if ya sneeze
or even breathe the wrong way, you better do what the
song say

And be easy, or else it'll be a long day

[Chorus: T.I.]

I'm a king - bank rolls in the pockets of my jeans
I'm a king - you pussy niggaz couldn't see me in your
dreams

I'm a king - top topic of all of your magazines

I'm a king - head of the body, leader of the team

I'm a king - remember I can get your block knocked off

I'm a king - a Bentley coupe with the top chopped off

I'm a king - I'm connectin nationwide but in the South

I'm a king - just respect it and keep my name out'cha
mouth

[Verse Two: The Game]

Now e'rybody wanna be the king of the West

but they ain't runnin' a damn thing on the West
that's a bet, it's all good they just speakin' they mind
stand on top of the Hollywood sign, you can see that
it's mine

I'd rather die muthafucka than give up my throne
my crown is a dodger fitted, California's my home
an' it's known if the drama pop off, I'll bring the chrome
so nigga leave me alone before I start livin' my song
I made a killin' drug dealin', some people say I'm a
villan

went from choppin' in the house, to the top of rap
gettin' millions

so watch your mouth, unless you're ready to bleed
cuz to me murderin' wack MC's is somethin' like a
disease

top down in the Impala, so I can ride in the breeze
an' where I'm from niggas throwin' up B's an' C's
don't make a turn the wrong way, think about what the
song say,

an' be easy, else it'll be a long day

[Chorus: The Game]

I'm a king - bank rolls in the pockets of my jeans
I'm a king - you pussy niggaz couldn't see me in your
dreams

I'm a king - top topic of all of your magazines

I'm a king - head of the body, leader of the team

I'm a king - remember I can get your block knocked off

I'm a king - chrome Impala with the top chopped off

I'm a king - I'm connectin nationwide but in the West

I'm a king - disrespect it I'll hit ya brains wit' the Tec

[Verse Three: Young Blaze]

e'rybody wanna be the king of the Midwest

but, they can't even run wit' the best

no lie, people talkin' like I value your opinion

so you can keep on runnin' your mouth like I'm gon'

listen

wit' this one, when I take it to a different level haters
couldn't mention

I'ma break these haters off wit' somethin' that I'm
always clinchin'

you better try to catch up, I'm 'bout to start the engine
you faggots couldn't stop me, cuz this rapper's on a
mission

I hit 'em up I'm leavin' muthafuckas barely breathin'
the way you gaspin' rappers be askin' what you
accheivin'

who the fuck want it? cuz I can take it to you any season
no probable cause or nothin', cuz I don't need a reason
born Memorial I'm from the West of Niles
they call me Young to the Blaze, they like my style
so learn a lesson, I'm keepin' you posted all day

so y'all be easy, y'all gangsta's know what the song say
[Chorus: Young Blaze]
I'm a king - bank rolls in the pockets of my jeans
I'm a king - you pussy niggaz couldn't see me in your
dreams
I'm a king - top topic of all of your magazines
I'm a king - head of the body, leader of the team
I'm a king - remember I can get your block knocked off
I'm a king - a Lamborghini with the top chopped off
I'm a king - I'm connectin nationwide but in the 269
I'm a king - disrespect it an' watch them things gonna
fly
I'm a king
