Baby when i think about
The day that we first met
Wasn't looking for what i found
But i found you and i'm bound to
Find happiness in being round you

Chorus

I'm glad when i'm making love to you
I'm glad for the way you make me feel
I love it cos you seem to blow my mind..EVERYTIME
I'm glad when you walk you hold my hand
I'm happy cos you know how to be a man
I'm glad that you came into my life
I'm so glad

I dig the way that you get down
and you still know how to hold me
Perfect blend, masculine

Repeat chorus x1

I'm glad that you turned out to be
that certain someone special who makes life worth
living
I'm glad your here, just loving me
So say that you won't leave
cos since the day you came i've been glad

Repeat chorus x1
