ATTENTION!!! - Let's get serious mayne!  
ATTENTION!!! - Ah wha-wha ah what WHAAAT!

[T.I.]

I'm goin in with funny niggas in the A  
The killas with the K, and now the niggas with the yay  
All my niggas, where ya stay?  
Westside to Decatur, ah hey-ya, fuck ya wooden eight  
I lay you down if I got a thirty-shot in my Impala  
I'm a thoroughbred Bankhead, Roll Park scholar  
From a house with no father, school - why bother?  
That's why I call myself the King of the South  
Well nigga, ah you don't want what I'm break out the  
house  
Ah so I, strongly suggest you keep my name out ya  
mouth  
Before I, be in ya house tapin ya spouse to the couch  
And put a, hole in her blouse, I don't play young nigga  
Remember me from back in the day young nigga  
One more thing, fuck what you done heard 'bout  
Atlanta  
We finna break the standards, rubber bands instead of

platinum  
I'm a hustler, not a rapper  
We gangstas, y'all some actors  
We finna turn this chapter, your spot is what I'm after  
I'm serious!!

[Hook - 2X]

[J-Bo]  
See I got the answers to all ya quest-ions (come on)  
From A-B to C, best learn your less-ons (-ons...)  
'cause I'm so damn serious, it'll leave yo' ass stunned  
In the back and we packin on all who flex-un  
Like Redrum, it's bloody and ugly, who want some?  
Now put your middle fingers up until it's all done (it's all done)  
'cause we ain't takin much of nothin but bash-un  
On all who attempt, intentions we blast-un

[Sean Paul]  
I gut 'em, I roll 'em, I smoke 'em, and I pass 'em  
I serve 'em, deliver, walk up on 'em and blast 'em  
I'm strong but my niggaz, I'm takin they cash home  
Then hit the track and get rid of the whole bomb  
'cause I'm serious nigga, you gon' feel this nigga  
Got a, trunk full of work, how you gon' kill this nigga?  
My niggaz givin out bricks, we can build this nigga  
If all fail we can 1-0-5 grill this nigga  
I'm dead serious

[Hook - 2X]

[Pastor Troy]  
S-E-R-I-O (uh-huh) U-S (uh-huh) I'm fresh (c'mon)
