(feat. B.G., Pimp C, Young Jeezy)

[T.I.]

Yeah, yeah, uh, aye! What the fuck I gotta worry about now?

Nigga you think after weatherin' the storm and comin' from the extremes I came from

You think I'ma call all the way and get scared? Ahah!

Nah nigga.. I'ma motherfuckin' win

Nigga if all this shit go out the window right now man

I'm all too familiar with this shit

My nigga I'm straight ya dig? Please believe that shit man. Hey! [echoes]

[Chorus I: T.I.]

You can keep the car, the clothes, the money and the hoes

Just gimme a couple of O's, drop me off at the sto'

And I'm straaaiiggghhhttt... hey shawty I'm

straaaiiggghhhttt

Hey you can keep the dancers and the boppers, the plexers and the poppers

Let me fill up my Impala, boy holla at my partners

And I'm straaaiiggghhhttt... hey shawty I'm

straaaiiggghhhttt

[T.I.]

I gotta couple of V's wit' the kits, MPV's on my wrist

A lot of glamour and glit's, but shawty I don't need that

My beginnin' was a humble one, a hustler I'ma son of one

Taught me how to number run, I went from that to number one

Had a hundred ones, I bought a slab flipped another one

Sold my little three-eighty east, and said I need another gun

The littlest in the trap, and gotta pack of ice and bubble gum

Junkies hatin' on my stacks, sayin' I'm nuttin but a young

Buck, niggaz say, "What?" Then he see me raise up  
Just wanna see the little boy wit' nuts exchange old  
niggaz whole face soon  
'Cause I spray the nigga's whole face up, wet the nigga  
from the waist up  
They try you once and you pull a fall, and then tell 'em  
shaw' don't play wit 'em  
I'm fourteen in the dope game and don't care of  
catchin' no case bruh  
You can sell to me, that's intentionally, another nigga  
that it's too late for  
Hey wait bruh, bet any nigga came from that?  
Who lose it all the day, I bet he say he changed from  
that

[Chorus II: T.I.]

Hey you can keep the game and the fame, the haters  
and the lames  
Just gimme some cocaine and somewhere I can slang  
And I'm straaaiiggghhhttt... hey shawty I'm  
straaaiiggghhhttt  
Hey you can keep the clones and the clowns, the throne  
and the crown  
Well-known in the town that I'm holdin' it down  
So I'm straaaiiggghhhttt... hey shawty I'm  
straaaiiggghhhttt

[B.G.]

Okay now, now when I spit it, I spit it how I live it  
Every verse I ever gave ya, it was fact, nothin' fiction  
I'ma +Livin' Legend+.. no stuntin', no reppin'  
You can check my track record, I'm highly respected  
I'ma gangsta in the game, go ask Lil' Wayne  
Ask Judge Johnson, how many times he saw my face  
For, "pistol here, pistol there," "violation here, violation  
here"  
Betta ask Rank, I ran the jail when I was there  
I held it down, where-ever I go  
When I'm in the A wit' the +King+, or in Detroit in the  
snow  
I'ma pro, whether it's movin' snow or movin' 'dro  
That's between me and you, I can get it for the low  
But that's nuttin, everybody say they gotta story  
Mine on "Larry King," theirs is on "Maury"  
At the end of the day, it seems to won't go away  
I guarantee +The Heart of the Streetz+ that you pray

[Chorus I]

[Young Jeezy]

Snowman bitch (bitch), I ride two-seaters (vroom!!)

It's a cold world, so I keep two heaters (geyeah!)  
I'm straaaiiggghhhttt, you betta ask somebody (body)  
Matter fact nigga you can just ask me (me)  
A little over aggressive, yeah I just might be  
But half the niggaz in the hood just like me (damn!)  
You wonder why a nigga talk eight balls all day?  
You should try standin' around wit' eight balls all day  
(YEEEEAAHHH!!)  
Somebody pray for me, I don't know nothin' else (AYE!)  
Why should I help you, when you ain't tryin' to help  
yourself  
I came in this game, fresh out the streets (yeah)  
Who you kiddin' nigga, I put my life on these beats  
(YEAH!)  
Fuck bein' broke, this a reality check (check)  
While you mad at ya girl, ya betta check reality (AHAH!)  
Gotta crawl 'fore you walk, you gotta think before you  
talk  
Damn right they gon' hate (geyeah!), but tell dem  
niggaz im straaaiiggghhhttt.(AHAH!)

[Chorus II]

[Pimp C - talking after song ends]

Say what it do? Young Pimp C know what I'm talkin  
'bout?  
Yeah, nigga want me to speak on some "king" shit,  
know what I'm sayin'?  
On the cool y'know.. young nigga T.I. jumped out there  
Said he was the king of the south  
He ruffled a whole lotta niggaz' feathers  
But niggaz didn't really understand what the nigga was  
talkin 'bout  
Y'know.. and uh.. so everybody had it twisted but..  
Me I understood from the get go  
That what the nigga was tryin' to put  
In these motherfuckin' stupid ass niggaz' faces!!  
Was the fact that it's a whole bunch of kings down here  
And as long as you takin' care of yo' business and doin'  
king shit you a king!  
What these niggaz shoulda been tryin' to do was tryin'  
to get close to the nigga  
And get some understandin' about the type of game  
He was tryin' to put in these motherfuckin' niggaz' ear  
holes!  
Understand what I'm sayin'?  
So I'm layin' back I'm watchin' the game from the  
sideline  
Know what I'm talkin 'bout?  
And I'm seein' all these ol' pussy ass niggaz out here  
Talkin 'bout they this and they that, but they really ain't

doin' nothin!  
'Cause they motherfuckin' paper ain't right  
When I see them in the street, they diamonds fake!  
Know what I'm talkin 'bout?  
They shit ain't cut right, ya shit ain't right!  
Shit cloudy and chipped up, know what I'm talkin 'bout?  
And them niggaz talkin 'bout they "trill niggaz"  
Don't even know what the motherfuckin' word mean!  
Know what I'm talkin 'bout? This comin' from the O.G.  
style trill  
Know what I'm talkin 'bout? Not these ol' fake ass  
niggaz  
Tryin' to come on the scene later on and tryin' to take  
glory for some shit  
Some other niggaz paid dues for, know what I'm talkin  
'bout?  
So this is what is.. we bringin' Georgia and Texas  
together  
All you ol' BITCH ASS NIGGAS that ain't down wit' the  
play  
Move on to the side, all you old school rappers like 'Pac  
say  
You niggaz flabby, lookin' like Larry Holmes  
BACK YO' BITCH ASS UP!! And, and, and, and move  
around for the South  
'Cause it's our time to shine, know what I'm talkin 'bout?  
Now let's do this shit!
