You take it all away  
But never give it back  
And this is what you say  
They lives are yellow-black

And this is how they move  
And this is how they sway  
That danger is the truth  
They die and come again

Obstacles and signs  
Perilous and looming  
Dangerous and moving  
Dangerous and moving

Obstacles and signs  
Perilous and looming  
Dangerous and moving  
Dangerous and moving

No mercy for the lost  
No soothing for the sad  
The line is never crossed  
They are the living dead

And this is how they move  
And this is how they sway  
That danger is the truth  
They die and live again

Obstacles and signs  
Perilous and looming  
Dangerous and moving  
Dangerous and moving

Obstacles and signs  
Perilous and looming  
Dangerous and moving  
Dangerous and moving
