Night little shadows run
Night we can be as one
Time for some kiss and tell
Time we can live as well
We will abandon shame
This is another game
This tricky hide and seek
Is always fucking freak

Little people break like China
Little people fall to pieces
Ugly pretty major minor
Shoot to kill nobody misses
Little people melt like vinyl
Little people reassemble
Bigger smaller better finer
Little pieces on the table

Love is an exercise
In always telling lies
In always breaking hearts
In changing body parts
And when we run like hell
No one will break the spell

We will be on our way
We will be anyway

Little people break like China
Little people fall to pieces
Ugly pretty major minor
Shoot to kill nobody misses
Little people melt like vinyl
Little people reassemble
Bigger smaller better finer
Little pieces on the table

Little people break like China
Little people fall to pieces
Ugly pretty major minor
Shoot to kill nobody misses
Little people melt like vinyl

Little people reassemble
Bigger smaller better finer
Little pieces on the table
