Malchick gey, malchick gey,
Malchick gey. malchick gey,
Malchick .. malchick, malchick.

Handsome, tender, soft,
Why do you look right through me.
Thinking, no I cant deny my feelings.
Growing, strong I tried
To keep believing, dreaming on.
And every time I see you I cry more,
I want to hold you closer, closer, closer, closer.
But you leave me feeling frozen.

Malchick gey, malchick gey, I can be all you need.
Wont you please stay with me? malchick gey, malchick
gey.

Apologies mother please. malchick gey, malchick gey.
Can't erase what I feel. malchick gey, gey malchick
gey.
Malchick gey, malchick gey, malchick gey, malchick,
malchick.

Choking making motion,
I try to keep on hoping for a way,
A reason for a softer common close.
I long for you to hold me like a boyfriend does.
And though my dream is slowly fading,
I want to be the object, object, object, object,
Of your passions body hopeless.

Malchick gey, malchick gey, I can be all you need.
Wont you please stay with me? malchick gey, malchick
gey.
Apologies mother please. malchick gey, malchick gey.
Can't erase what I feel. malchick gey, gey malchick gey
