When life resigns  
From today  
Will you hide  
From all time  
Will you hide  
From the truth  
That you said  
Would be real

If hush  
You will hear  
What I go  
Through at night  
You can toss  
You can turn  
You can try to escape

I feel it  
Wakefulness  
In my skull  
Trembling  
When I hear  
Your name  
I grow small  
I grow sad

CHORUS  
This charade is getting  
Old  
Today is getting  
Old  
This distress is getting  
Old  
Time shows Im getting  
Old

If I wish  
Close my eyes  
I will ask  
For you back  
But you left

In the night  
All alone  
Without you

Even if you shall lie  
I will tell you the truth  
You can see all the hurt  
If you stare in my eyes

I feel it  
Restlessness  
In my arms  
Trembling  
When I hear  
Your voice  
I grow small  
I grow sad

#### CHORUS

If I set  
Back the clocks  
Would we love?  
Would we hate?  
Would you spare  
Just my life?  
Would you ruin my day?

I can run  
I can leave  
Dont be scared  
Please come back  
Cause if time  
Wastes me  
Ill be gone forever

I feel it  
Sleeplessness  
In my legs  
Trembling  
When I hear  
Your accent  
I grow small  
I grow sad

#### CHORUS

If I try  
To bide you time  
Will you come back to me?  
Or will I

Have to beg?  
Life is not being fair  
Shame on you  
You're not here  
Cause you left  
Memories  
That I call back to see  
Cause I feel  
Burning fire

I grow old  
Thinking now  
I grow old  
When you call  
I grow old  
When light dims-acapo
