"Perfect Enemy"

Why should I welcome
Your domination
Why should I listen
To explanations
I'm not pretending
To make it simple
Try to be something
Experimental
You don't turn me off
I will never fail
Things I loved before,
are now for sale
Keep yourself away
Far away from me
I'll Forever stay
Your perfect enemy

No longer waiting

Remove illusions
No more complaining
Forget confusion
No more compassion
Not sentimental
I am now something
Experimental
You don't turn me off
I will never fail
Things I loved before,
are now for sale
Keep yourself away
Far away from me
I'll Forever stay
Your perfect enemy
