You brought me a damaged day  
It took me from dusk to day  
This night in my nightmare  
I saw premonitions  
Of beautiful damaged day

Profits turn to loss  
Everyone fails not us  
You made me feel so safe  
Made me feel so safe  
But now I've run out of luck

I've never felt this sure  
I've never felt so rare  
Now that your here  
Reach Out  
We pushed the world as it breaks  
But all you could give me was sex  
It is still burning  
We'll live without money  
But now my time is up

Stroking an empty glass  
the tonic we had our last  
Go without me  
Tell me what you see  
Tell me that its not lost

I've never felt this sure  
I've never felt so rare  
Now that your here  
Reach Out( X 10 )
