Reaching for you  
I know you're out there somewhere  
It's too dark, I'm so cold  
I know I had to come here

Every broken dream  
That I leave behind  
Keeps me going on  
Keeps me running blind

Calling your name I hear only echoes  
Searching the rain I see only shadows  
You've got to show me your face  
Voices I hear them calling behind me  
Phantoms of you are burning inside me  
You've got to give me a sign

Fading, slowly  
You're drifting into darkness  
I can't see I can't think  
I need to keep on searching

Every memory  
Every thought of you  
Is inside of me  
Tells me what to do

Calling your name I hear only echoes  
Searching the rain I see only shadows  
You've got to show me your face  
Voices I hear them calling behind me  
Phantoms of you are burning inside me  
You've got to give me a sign

Can you hear me?  
Am I only wasting time?  
Are you near me?  
Are you only in my mind?  
Are you are you?

Calling your name I hear only echoes  
Searching the rain I see only shadows

You've got to show me your face  
Voices I hear them calling behind me  
Phantoms of you are burning inside me  
You've got to give me a sign
