This was an accident
Not the kind where sirens sound
Never even noticed
We're suddenly crumbling

Tell me nothing ever counts
Lashing out or breaking down
Still somebody loses
Cuz there's no way to turn around

Tell me how youve never felt
delicate or innocent
Do you still have doubts
That us having faith
Makes any sense

Staring at your photograph
Everything now in the past
Never felt so lonely
I wish that you could show me love

(refro)
Show me love, show me love, show me love, show me
love
Show me love
Till you open the door

Show me love, show me love, show me love, show me
love
Show me love
Till I'm up off the floor

Show me love, show me love, show me love, show me
love
Show me love
Till it's inside my pores

Show me love, show me love, show me love, show me
love
Show me love
Till I'm screaming for more

Random acts of mindlessness
Commonplace occurrences
Chances and surprises
Another state of consciousness

Tell me how you've never felt
delicate or innocent
Do you still have doubts
That us having faith
Makes any sense

Tell me nothing ever counts
Lashing out or breaking down
Still somebody loses
Cuz there's no way to turn around

You play games I play tricks
Girls and girls but you're the one
Like a game of pick-up sticks
Played by fucking lunatics

(refro) Show me love, show me love Give me all that I
want
