I continue simple moves
You continue my continuations
I am you, and you are me
I repeat, you repeat.
If you want -be silent,
Wait until it stops.
If you want keys,
2 turns around
If you want yours,
If you want somebody's,
If you want be like me
And I continue

Simple moves, I continue...

Simple moves..

We continue simple moves
Destroying irrigation.
Somewhere you find,
Somewhere you lose
I repeat, you repeat.
This is love,
Springs are jumping.
Tomorrow everyone
Can be smaller then snowflake.
We have to be on time
Not refusing.
We should be able
Continue to live.

Simple moves, continuing to live...

Simple moves...

Where are you?

Where are you? Where are you?

Where are you? Where are you?

Where are you?

Where are you? Where are you? Where are you?

Simple moves...

Sorry for non sence, but this is just the way this song is. Also I am not sure about one part, because in song it says:

We continue simple moves Destroying irrigation. Somewhere you find, Somewhere you lose I repeat, you repeat.

but in the video it says:

We continue simple moves We continue for continuation Don't ask me those questions just lets move simple.
