Feeling ugly, looking pretty  
Yellow ribbons, black grafitti  
Word is written, bond is broken  
No big secret left unspoken  
Sun is painted in the corner  
But it's never getting warmer  
All the lies they keep on selling  
But you never check the spelling

Flying bullets  
Hit the targets  
Wings and halos  
5 to 7  
In this white robe  
Through the darkness  
Paragliding  
Back to heaven

Flying bullets  
Hit the targets  
Wings and halos  
5 to 7  
In this white robe  
Through the darkness  
Paragliding  
Back to heaven

Time is running we are sitting

Back together just for splitting  
You are crying in the corner  
Always next and never former  
Open up and let me hear it  
Former Body, future spirit  
Brain is useless, chair is rocking  
Open doors for dead man walking

Flying bullets  
Hit the targets  
Wings and halos  
5 to 7  
In this white robe

Through the darkness  
Paragliding  
Back to heaven

Flying bullets  
Hit the targets  
Wings and halos  
5 to 7  
In this white robe  
Through the darkness  
Paragliding  
Back to heaven
