I've been sitting here
All alone in my home
And I've been thinking, thinking just
What wrong I've done (lady)
Wondering why I've been wasting all my time
On that someone who won't even care about me

Didn't I give you all of me..baby

All my heart my soul my everything

Why o Why
Do you have to make me feel this way
(when you and I equals night and day)
Why o Why
Won't you tell that you feel the same
(if I said I'd take the blame)
Why o Why
Tell me lady what you want from me
Need I set you free?
Coz I wanna be close to you

I don't understand why..why you do those things to me.
When I've tried to give you what you need
I've been the man for you baby
You know I've cared for you
But that someone won't even share her heart with me

Didn't I give you all of meâ€¦baby

All my heart my soul my everything

Why o Why
Do you have to make me feel this way
(when you and I equals night and day)
Why o Why
Won't you tell that you feel the same
(if I said I'd take the blame)
Why o Why
Tell me lady what you want from me
Need I set you free?

Coz I wanna be close to you

I remember when we were just chilling together
You said that I was too good to be true
But now things just ain't the same
And I'm wishing that you were still here

Why o Why
Do you have to make me feel this way
(when you and I equals night and day)
Why o Why
Won't you tell that you feel the same
(if I said I'd take the blame)
Why o Why
Tell me lady what you want from me
Need I set you free?
Coz I wanna be close to you
