In my mind  
I can climb  
All the mountains that surround me  
My spirits there, where eagles dare to fly

In my heart  
There s a spark  
That can light the world around me  
An open door, where I am sure dreams are

It doesn t matter if I win  
Or the colour of my skin  
Cause the race is all about  
Believing in yourself

Chorus 1:  
And I dream  
I can run  
Like the wind  
And be strong  
When my heart just wants to give in  
I dream  
I can be  
The hero that's in me  
When I dream, I dream

If there s a time  
In your life  
When the odds are so against you  
There s no defeat, if all you keep is pride  
First or last  
Slow or fast  
There s a dignity that makes you  
Keep driving on, when world s have come apart

It doesn t matter rich or poor  
Or the things you ve done before  
Cause the race is all about  
Believing in yourself

Chorus 2:  
And I dream

I can run  
Like the wind  
And be strong  
When my heart just wants to give in  
I dream  
I can be  
The hero that's in me  
When I dream, I dream

I dream  
Of a moment  
That forever will be golden  
When the torch is passed  
Only dreams will last  
That are shared by everyone

And I dream  
I can run  
Like the wind  
And be strong  
When my heart just wants to give in  
I dream  
I can be  
The hero that's in me  
When I dream, I dream
