Don't hold back
Give everything
Don't collect
Maps of things

It's not everyday
Where Taufik sings
Thanks to you
I'm hear jingling

I haven't mentioned how much I owe you
Ever since that day we met
It doesn't feel right for some reason
With you and I all blessed
Should return the ring you gave me
You say 'we can work this out'...

Just know it's all an illusion
It's all hallucination
Don't confuse this with me
Illusions come and go
Illusions come and go...

Hold back...
Don't give everything
Collect all the useful things

My friends are round me everyday
Helping me sing, thanks to u...

(Repeat pre-chorus)
I haven't...

(CHORUS)
Just know it's all...

BRIDGE
You don't ever wanna, you don't, no you don't
An illusion will change your life,
Yet you say it's a waste of time
Will it hurt to use my imagination
Just for a single second

But if it does hurt... then my loves not worth
