It's just you and me
We can make it happen
Let's stay together

I'm, I'm so in love with you
Whatever you want to do
It's alright with me
Cause you make me feel so brand new
I want to spend my life with you
The same things, baby, since we've been together
Loving you forever
Is what I need
Let me be the one you come running to
I'll never be untrue

Ooh, baby, let's stay together
Loving you whether,
whether times r good or bad,
Happy or sad

Why somebody, why people break up?
Oh, turn around and make up
I just can't see
You'd never do that to me
To be around you is all I see
Ooh, baby, let's stay together
Loving you whether,
whether times r good or bad,
Happy or sad
