Ooh... You don't know that your the one That puts me over, there are none You and I, make the perfect pair (No one has a care) They don't even dare

## Chorus:

You (x3) You put me over Like I've never gone before Won't grow older You (x3) You put me over You're the only one for me Why can't you see

Ooh... I love you no matter Livin lavender, everyday I'm still getting sadder Don't know why, just like you're Olinda If only I could, love you like he does

(Chorus)

But you don't know (no you don't) You don't know That you will come back to me... You put me over (fade)
