Girl I've known you very well  
I've seen you growing everyday  
I never really looked before  
but now you take my breath away.

Suddenly you're in my life  
a part of everything I do  
you got me working day and night  
just trying to keep a hold on you.

Here in your arms I found my paradise  
my only chance for happiness  
and if I lose you now I think I would die.

Oh say you'll always be my baby  
we can make it shine, we can take forever  
just a minute at a time  
(minute at a time)

You are...  
More than a woman, more than a woman to me  
more than a woman, more than a woman to me  
Oh, oh, oh ,oh

There are stories old and true  
of people so in love like you and me  
and I can see myself  
let history repeat itself.

Reflecting how I feel for you  
thinking about those people then  
I know that in a thousand years  
I'd fall in love with you again.

This is the only way that we should fly  
this is the only way to go  
and if I lose your love I know I would die.

Oh say you'll always be my baby  
we can make it shine, we can take forever  
just a minute at a time (minute at a time)

Oh, you are...

More than a woman, more than a woman to me  
(yes you are baby)

more than a woman, more than a woman to me  
(more than a woman)

More than a woman, morethan a woman to me  
(fades out)
