I don't get the question, baby,
I don't get the question, are you asking if I love you?
Are you saying you don't know by now?
You should never wonder, baby,
You should never wonder, cause I need you more than
ever,
We will always be together, yeah
You control me heart,
Feel you in the very air that I breathe,
You're such a man; I need you in me,
And when the world seems hard,
You protect me, like a man does a child, wrapped up in
your arms,
Oh, no... you don't ever have to wonder,
You're my knight in shining armor
You're my heart, I'm proud to say...

Chorus:

I love ya, I love ya, I need ya,
I wanna spend forever,
Together, my partner, can't live a day without ya,
I love ya, I need ya, I wanna spend forever together,
leave never,
Can't live a day with...

I can see the day we met, I can see it clearly,
the first day of my new life,
I knew I would be your wife, yeah
Always heard of love at first sight, thought it was kinda
silly,
How could love shine on a stranger, cause I'm fine, little
stronger,
Oh, cupid shot me with that arrow,
I could barely catch my breath,
Cupid scared me half to death, oh yes,
You can run, and he saved me,
With a love no other man, could ever give me, I wanna
say...

I love ya, I love ya, I need ya,
I wanna spend forever,
Together, my partner, can't live a day without ya,

I love ya, I need ya, I wanna spend forever together,
leave never,
Can't live a day without ya, I love ya,
Ohhhhhh, ohhhh

Oh, no, you don't ever have to wonder,
You're my knight in shining armor; you're my heart,
Im proud to say...

I love ya, I need ya, I love ya,
I wanna spend forever,
Together, my partner, can't live a day without ya,
I love ya, I need ya, I wanna spend forever together,
leave never,
I love ya...oh, I love ya... I need you...ohoh...lalala
