I gotta know where I stand
Know where I stand
I gotta know where I stand

Chorus:
Feeling is new
I'm liking all that you do
But to tell you the truth
I gotta know where I stand
So before I go through with this
It's time that you knew
That boy between me and you
I gotta know where I stand

Verse 1:
I'm always thinkin 'bout ya
When your touching me its cool
It's going to my head
I don't understand it
You know just what to do
To get me close to you
Your game is so sweet boy
I wanna be your girl

Hook:
I wanna be down
Baby you know that I'm down
I need you around
I'm always gonna need you around
I finally found
I'm thinkin that I finally found
And I just wanna tell you how I feel

Chorus:
Feeling is new
I'm liking all that you do
But to tell you the truth
I gotta know where I stand
So before I go through with this
It's time that you knew
That boy between me and you
I gotta know where I stand

Feeling is new
I'm liking all that you do
But to tell you the truth
I gotta know where I stand
So before I go through with this
It's time that you knew
That boy between me and you
I gotta know where I stand

Verse 2:

Can't get you off my mind
Boy your just one of a kind
When you hold me closely
Your whispering to me
You know just what to say
You know I'm here to stay
I'm so wrapped up in you
Your making me want you

Hook:

I wanna be down
Baby you know that I'm down
I need you around
I'm always gonna need you around
I finally found
I'm thinkin that I finally found
And I just wanna tell you how I feel

Chorus:

Feeling is new
I'm liking all that you do
But to tell you the truth
I gotta know where I stand
So before I go through with this
It's time that you knew
That boy between me and you
I gotta know where I stand

Feeling is new
I'm liking all that you do
But to tell you the truth
I gotta know where I stand
So before I go through with this
It's time that you knew
That boy between me and you
I gotta know where I stand

Verse 3:

It's so real
I like the way you make me feel

When you look into my eyes
And know that its time
I gotta know
I gotta know
Tell me
Gotta know
Gotta know
Gotta know
Gotta know
Tell me
I gotta
Know where I stand

Chorus:
Feeling is new
I'm liking all that you do
But to tell you the truth
I gotta know where I stand
So before I go through with this
It's time that you knew
That boy between me and you
I gotta know where I stand

Feeling is new
I'm liking all that you do
But to tell you the truth
I gotta know where I stand
So before I go through with this
It's time that you knew
