(alexandra forbes, jeff franzel)

Red roses, temptation,
You make the most of a ify situation.
Im weighing my decision
Whos to say if it's love,or if it isnt?
Only time will tell
Just how well I'll get to know you.
Don't mean to lead you on,
But I want to take it slowly, slowly.

Don't rush me
Ive made that mistake before, ah.
Don't rush me.
This love could be so much more
Its well worth the waiting for
Desire can mean danger,
I wanna lover, not another stranger
Im saving all my passion,
Whos to say if it's love, or just attraction?
Only time will tell
Just how well I'll get to know you.
Don't mean to lead you on, but I want to take it slowly,
slowly.

And my resistance is weakening,weakening everytime
we touch.
Baby, you get everything, everything that Ive been
dreamin of.

Don't rush me.
Ive made that mistake before, oh yeah.
Don't rush me. this love could be so much more,
Its well worth the waiting for, yeah.
My resistance is weakening
Every time we touch,
Cause baby youve got everything,
Everything that Ive been dreaming of.

[guitar solo]

Don't rush me. Ive made that mistake before,
Oh yeah. don't rush me. this love could be so much
more,
Its well worth the waiting for.
Don't rush me. Ive made that mistake before,
Oh yeah. don't rush me. this love could be so much
more,
Its well worth the waiting for, yeah.
