Got a tax, got a fax  
Got the bank book on your back  
The clock's 'hittin three  
Before you get to 'hittin the sack

Catch a train, catch a plane  
Roll your windows up in the rain  
Sell your stock in a bear  
Before it goes down again

Little lie, gets you by  
Cause you're late 'n gotta say why  
The boss has a temper  
Power 'trippin over the time

(Chorus)  
Dying for the deadline  
Yeah you dying for the deadline  
Yeah you dying for the deadline  
Yeah you better get your life on time  
Yeah you better get your life on time

Gotta shop, gotta Pack  
Got a birthday 'comin up fast  
Better send off a present  
Or you'll be 'gettin sawdust back

Pop a pill, it's a trap  
Cause you gone 'n ain't comin back  
When the upper is supper  
You're 'bout to have a heart attack

Young and hot, then you're not  
Oh your body it's gonna rot  
Better make something happen  
Cause soon they 'diggin you a new plot

(Chorus)

Click a link, then you bail  
Cause it's 'loadin slow as a snail  
When you're 'punchin a clock

The internet will always fail

Office lights, always on  
Do the project 'til it gets done  
Ain't been home since last week  
Ain't been 'havin any fun

Set a date, seal your fate  
Watch the days go by as you wait  
Just another appointment  
Just another 'guessin game

(Chorus)

Gotta get your life on  
Get your life on  
Get get your life on time
