I'll always love you for the rest of my days.
You have won my heart and my soul with your sweet,
sexy ways.
You gave me hope when I needed someone near.
You bring me happiness every day of every year.

I'll always love you for all that you are.
You have made my life complete, you're my lucky star.
You are the one that I've been searching for.
You are my everything, tell me who could ask for more.

And I'll always love you, Honey, this will never end.
I need you by my side, baby, you're my lover, my
friend. My friend.

[Instrumental 1st part of verse]
You gave my world a thrill I've never known.
And filled my eager heart with a love to call my own.

And I'll always love you, you must know how much I do.
You can count on me forever and I will take good care
of you.

I'll always love you, I'm so happy that you're mine.
I'll always love you, yes, till the end of time.
