[Verse]

Cuttin' it close  
Let the dishes turn green  
Everyone chasin' their  
Internet dream

Some like it hot  
In a triple X funk  
Winnin' the auction  
Turnin' money to junk

Cappin' the flag  
In a virtual dash  
Skippin' your wedding  
To play in a match

[Chorus]

Shut all the blinds  
You mighta been seen  
Sittin' alone  
With your internet dream

Winning the race  
For your digital fix  
Living your life  
With a clickity-click  
(Repeat)

"So every day I swear  
I'm gonna go to bed at like eleven.  
And all of a sudden it's 4AM...  
And I was just watching Youtube and  
Reading Wikipedia for five hours.  
It's like MAN... you ask me the  
Next day. I can't even remember  
What I was doin. Crazy."

[Verse ]

[Chorus]

"I was talkin to my mom the other day  
And she's like 'Oh,  
My computer's been acting up again! '  
So I'm thinkin she got a virus  
Or something...  
And I'm like 'ok what's wrong?'  
And she's like 'You know that bar that  
You type the website in! It disappeared!  
I can never remember how to get it back! '  
I'm like 'ok Mom. We did this last week.'  
I love my Mom and Dad. "

[Chorus X 2]
