Someday I
Must say goodbye
Will you believe in yourself
When I'm not at your side

Someday you
I don't know who
There'll be someone
To hold you when I'm through

Someday I will fly you
To the moon and we can
Dance forever

Someday all my nights awake
They're what I left for you
To take

Someday when the mountains sing
You'll close your eyes and
Hear my name

Someday I'll be talked about
I failed a lot but tried
To help

I love you child
But someday
I'll be gone
