Middle finger up yelling fuck how you feel
And my hand has a blunt and my system never fails
Ay they call me
They call me tay f3rd
And I don't give a fuck about none of em
P u \$ a h z
I swear the cotton is like I'm leaning
A ounce of kush and a couple yellow demons
Nigga I pop these pills cause I'm feenin
I don't pop these pills cause I need em
And if you say triple c's I pop 24
And if I don't feel em ima pop plenty more
I'm tayf3rd I don't give a fuck about none of yall
And when it comes to pills I can never pop em solo
1 nigga 2... 3 if I'm lucky
I'll even give yo bitch 1 if she gone fuck me
Yeah I'm stupid, ruthless
I aint got no type
The other boy rufess
Tayf3rd yall squares like rubies
Smoking flirtin like a mutha fuckin cupid
Middle finger up I give a fuck how you feel
I don't do em cuz I do em
I do em for the feel

I'm fucked up I'm fucked up
And a nigga can't feel his feet
Ahaha
I pop pills smoke me a gram of weed
And now I'm about to go drink me lean
I got a problem but I don't give a fuck
Cause I'm trying to get high of herb
And cause I got stacks
Ay girl fuck that
You know that I'm trying to spit yours
In the club leanin; dippin
Pop me a pill now you know a nigga trippin
Can't front I love my pills
It's just like pussy I love that feel
I love that chill I get when I pop them
My heart just jumps when I got them
And you know I'm on it

In the ocean swimmin wit dolphins
Indeed I do em often
Haha till I see my coffin
& I'm all about my paper

P u \$

So good I think I mite go sinkin
In the club I'm stait up hooligan
They be like oh he prolly got into it wit him
He from pushaz you don't want to foo wit him
Don't do it
Hell loose it
Talkin about the set up
Tryna make him loose it
Ayy I'm loosin it
And if I see yours I'm abusin it
Soo dumb I drool and sweat
Strait from the beach from the coolest set
Give me pills or else I'm steal it
Pushaz ent mutha fucka we the realist
Ay you know I'm fine
I'm all about paper & I'm gone get mine
I'm so on the grind I shine
And if you don't see it bitch you blind
