Faith, it's a hope for the unseen,  
It can move mountains,  
If you believe,  
Hope, it saves me,  
It's a desire,  
For what I can't see,

But without love, you have nothing,  
And with love, you have everything,

Faith, hope, and love,  
But the greatest of these is love,  
Faith, hope, and love  
But the greatest of these, the greatest of all,  
Love is the greatest, Love is the greatest  
Love is the greatest, Love is the greatest

Love is patient and kind,  
It never fails,  
That's so hard to find,  
And love is never proud,  
Not easily angered,  
With God love abounds,

But without love, you have nothing  
And with love, you have everything

Faith, hope, and love,  
But the greatest of these is love,  
Faith, hope, and love  
But the greatest of these, the greatest of all,  
Love is the greatest, Love is the greatest  
Love is the greatest, Love is the greatest

Follow the way of faith  
(Love always protects, always trusts)  
Follow the way of hope,  
(Love always hopes, always prevails)  
Follow the way of love,  
'Cause without love you have nothing,

Faith, hope, and love,

But the greatest of these is love,  
Faith, hope, and love  
But the greatest of these, the greatest of all,  
Faith, hope, and love,  
But the greatest of these is love,  
Faith, hope, and love  
But the greatest of these, the greatest of all,  
Love is the greatest, Love is the greatest  
Love is the greatest, Love is the greatest

Love always protects  
Love always trusts  
Love always prevails (x2)  
(Follow the way of love)

Follow faith  
Follow hope  
Follow the way of love (x2)  
(Follow the way of love)  
Follow the way of love
