Iâ€™m so glad, to see you here,
In this time that together we share,
This love of Him, the life He gave,
Itâ€™s His sanctity we declare,
So letâ€™s stand up, and raise our hands,
To the Maker of all that lives,
The glory of, the One who made,
This beautiful mystery!!!

We sing of your love unchanging,
We sing of your luminosity,

Weâ€™re gonna stand up and make some noise,
Praise you with one voice,
Lift up your name above,
Shout and rejoice,
Stand up and sing your praise,
And lift hands with voices raised,
Call on your Holy name,
All as one voice,
Stand up and make some noise,
Stand up and make some noise

And Iâ€™m so glad, that we're all here,
With some time that together we share,
This love of Him, the life He gave,
Itâ€™s His grace that we celebrate,

We sing of your love unchanging,
We sing of your luminosity,

Chorus

Lord you are a strong tower,
And we run to you,
Your love is never changing,
And your name is beautiful, the most beautiful name of
all . . .

Weâ€™re gonna stand up and make some noise,
Praise you with one voice,
Lift up your name above,

Shout and rejoice,
Stand up and sing your praise,
And lift hands with voices raised,
Call on your Holy name,
All as one voice,

Stand up and make some noise,
Praise you with one voice,
Lift up your name above,
Shout and rejoice,
Stand up and sing your praise,
And lift hands with voices raised,
Call on your Holy name,
All as one voice,
Stand up and make some noise
Stand up and make some noise

(Stand up and make some noise)
Lift your hands
Praise his name (stand up and make some noise)
Share his love
Celebrate (x4)
