so much  
i look into your eyes  
i feel hypnotized, baby by you

Hook 1:

darlin' you're beautiful  
you give what you got  
and you got a lot, baby you do  
darling it's true cause  
you makin' me so hot  
i don't wanna stop  
it's not a fairytale the things you say  
the things that you do

baby you're beautiful  
so give me what you got  
cause you got a lot, baby you do  
darling you're beautiful  
so give me all you got  
don't you ever stop

Verse 2:

i just work for your love  
this hold that's over me  
there's no better drug  
so baby i can't find the right words  
to explain  
what it feels like to be me

when you say my name

Hook 2:

baby i do what i have to because  
you takin me so high that i kiss the sky  
baby it's true, darling i knew cause  
you give me butterflies  
make me wanna cry feels so high can't describe  
this feelin' inside

Chorus:

baby you're beautiful  
so give me what you got  
cause you got a lot, baby you do  
darling you're beautiful  
so give me all you got  
don't you ever stop

Bridge:

i can't explain the way i feel  
you are the answer to my dreams  
my every love inside  
i see that i was blind  
there's nothin' but blue blue skies
