Do you know how lucky I feel I am
To find a man who loves me as I am
You never try to change a single part of me
You're easy to love with those qualities

And everyday you teach me more and more
Inside me I wanna glow
And everynight you think of only me
The way you keep me satisfied you do all the things I
like

Chorus
I want ya oh I want you so
Do you want it right now
Oh I can't let go
I want ya so bad give me all you have
I can show you now
Do you want it right now

You have a rare sensitivity
I really believe you know how to feel
I trust you with all my heart and soul
You care too much to let me take control

And everyday you teach me more and more
Inside I wanna glow
And everynight you think of only me
Oh you keep me satisfied you do all the thing I like

Chorus

Do you want it want it right now baby
Do you want it want it right now
I can hear it from ya right now
Do you want it want it right now right here right now
right now right now
Screaming screaming

And evryday you teach me more and more
Inside I wanna glow
And everynight you think of only me
Oh you keep me satisfied you do all the things I like

Chorus
