Hey, yeah, hey, yeah, tick, tick, tock  
Hey, yeah, hey, yeah, my love  
Hey, yeah, hey, yeah, tick, tick, tock  
Hey, yeah, hey, yeah, my love

Hey, yeah, hey, yeah, tick, tick, tock  
Hey, yeah, hey, yeah, my love  
Hey, yeah, hey, yeah, tick, tick, tock  
Hey, yeah, hey, yeah, my love

Now take a minute  
Can't go back waiting for you  
I love how I'm feeling  
Loving all the things that you do, woah

I can't stop the power  
Why worry it's only the air  
The time for us it right now

Well, come on, boy take me there  
'Coz it won't be long till your here with me  
Back in my arms what I need

It's the hour, hour of love  
Right on time waiting for you  
It's the hour, hour of love  
Head on back waiting for you

The time waits for no one  
Why keep me waiting for you, woah  
You may be lonely  
Come on, boy, you know what to do, yeah

'Coz it won't be long till your here with me  
Back in my arms what I need

It's the hour, hour of love  
Right on time waiting for you  
It's the hour, hour of love  
Head on back waiting for you

It's the hour, hour of love

Right on time waiting for you  
It's the hour, hour of love  
Head on back waiting for you  
Come on, boy, you know what to do

Well, I know the difference  
Between what's fake and what's real  
Well, I my love can't take it my heart can't shake it  
Come on, boy, give it to me, heh, heh

Come on big boy let me see it  
Oh, yeah, woah, yeah
