Sayin' goodbye is never an easy thing
But you never said, that you'd stay forever
So if you must go, well, darlin? I'll set you free
But I know in time, that we'll be together
Oh, I won't try to stop you now from leaving
'Cause in my heart I know

Love will lead you back
Someday I just know that
Love will lead you back to my arms
Where you belong

I'm sure, sure as stars are shining
One day you will find me again
It won't be long
One of these days our love will lead you back

One of these nights, well I'll hear your voice again
You're gonna say, oh, how much you miss me
You walked out this door, but someday you'll walk back
in
Oh, darling I know, oh, I know this will be
Sometimes it takes, sometime out on your own now
To find your way back home
Love will lead you back
Someday I just know that
Love will lead you back to my arms
Where you belong

I'm sure, sure as stars are shining
One day you will find me again
It won't be long
One of these days our love will lead you back

But I won't try to stop you now from leaving
'Cause in my heart I know, oh yeah

Love will lead you back
Someday I just know that
Love will lead you back to my arms
Where you belong

I'm sure, sure as stars are shining
One day you will find me again
It won't be long
One of these days our love will lead you back
Yeah, yeah

Love will lead you back
Someday I just know that
Love will lead you back to my arms
It won't be long
One of these days our love will lead you back
