What have I done?

I broke your heart, now there's no sun

Just cold and dark without your smile

I cant laugh without you, baby

I'm just a half

I didn't know just what I had

I didn't know I'd feel this sad

But I feel naked without you

I feel naked without you

I feel naked without you

What have I done? I broke a vow

But I'm the one who's crying now

Without your touch, I can't feel

Without forgiveness, I cant heal

Nobody else can take your place

And if I don't see your angel face

I feel naked without you, I'm still crazy about you

I feel naked without you

I hurt the one who really loved me

Don't look at me, I feel ugly

I'm naked without you

Oh, my, my, my

Oh, I'm so tired, but I can't sleep

I threw away a love so deep

I'm naked without you, I'm still crazy about you

I feel naked without you

Oh, now, now

I'm naked without you

In my bed, I'm naked without you

In my head, I'm naked without you

Oh, I'm naked without you

Oh, crazy without you I feel

Yeah, yeah, oh, my, my, my

Oh, crazy about you, so naked without you, yeah
