Ooh, hey, hey, yeah
Oh, alright, yeah
Oh, no, no, no, no, no, oh, no
Ooh, yeah, ooh, yeah

I, I hear your heartbeat inside of me
And I know I can never be free
Since you came in my life

Well, I can't deny it every time we touch
I feel the fire burning up
There's no way to hide it

Baby, it's true that I need someone like you
And I never knew how good it could be, baby
And I need someone like you
Somebody who needs someone like me

Oh I, will I have faith in the things you do?
And I know I can reach out for you
Anytime you'll be there, oh, no, no

'Cause I'd never leave you, when times are down
And you're needing me around, whatever we do

Baby, it's true that I need someone like you
I never knew how good it could be, baby
And I need someone like you
Somebody who needs someone like me

Baby, I need someone like you
I never knew how good it could be, baby
And I need someone like you
Somebody who what you doing to me, baby

Oh, no
Oh, no, yeah, hey, hey, yeah
How will I ever, ever, ever, ever, ever

'Cause I'd never leave you, when times are down
And you're needing me around, whatever we do, yeah
I'm calling every one now

Baby, I need someone like you
I never knew how good it could be, baby
And I need someone like you
Somebody who, I'm calling every one now

Baby, I need someone like you
Somebody who
I need someone like you
I never knew

I need someone like you
Somebody who
I need someone like you
I never knew

I need someone like you
Somebody who
